i didn't know i was black until i came to the united states the journey to my personal understanding of blackness has been long and rife with pain and passion excitement and exasperation the fact that the facets of my identity seem to stretch across the diaspora equatorial guinea nigeria trinidad and tobago and the united states means that this journey has not been straightforward it has been treacherous with many frustrating moments when i was not sure how much lower my self esteem could go but it has also been exceedingly rewarding as i stumbled upon new paths to convert each disappointment into an opportunity to grow and become more confident in who i was sometimes that has meant becoming

overzealous in my own self affirmation the tone of my voice taking on a sharper edge as i explained to others why pride in blackness was a requisite characteristic of any kind of black progress but i justify that stridence by thinking of the dearth of encouragement from sources that are not bothered by the profundity of blackness including the educational system popular culture and mainstream media the bitterness that comes with the construction of race as a state of being and the making of racism as a behavior and attitude can be tasted potently in the new world it takes a fundamental encounter with whiteness for one to truly appreciate the meaning of blackness however a picture of tribalism and ethnic tensions is vividly displayed in the midst of blackness in the heart of africa so my story has been a two pronged journey through tribalism and racism

a supplemental textbook for middle and high school students hoosiers and the american story provides intimate views of individuals and places in indiana set within themes from american history during the frontier days when americans battled with and exiled native peoples from the east indiana was on the leading edge of america s westward expansion as waves of immigrants swept across the appalachians and eastern waterways indiana became established as both a crossroads and as a vital part of middle america indiana s stories illuminate the history of american agriculture wars industrialization ethnic conflicts technological improvements political battles transportation networks economic shifts social welfare initiatives and more in so doing they elucidate large national issues so that students can relate personally to the ideas and events that comprise american history at the same time the stories shed light on what it means to be a hoosier today and in the past

native americans use storytelling to get to know one another as well as passing history and messages on to newer generations these stories are a heritage but they will be known only as long as they are told when someone ceases to tell a story part of our cultural knowledge is gone the stories of native american indians have always possessed some greater meaning they are often based in nature or about animals and even though the tribes may vary in location or beliefs deep within you will find a common thread respect for nature can be heard in stories from tribes from canada to florida the stories included in this book show native american storytelling at its best among the stories included in this fourth volume of the native american story book are the woman and her bear the story of winter snow the warrior of high cliff the sacred pipe of the t salagi the origin of fire and the canoe the long journey a new bow for tani the trickster s great fall and his revenge grandfather thunder the origin of the doll being and many many more

designed for introductory level survey courses in american history the american story presents a balanced and manageable overview of the united states as an unfolding story of national development integrating social and political history into a coherent and compelling narrative acknowledging the nation s rich diversity of class race gender and ethnicity this edition tells the story of the people who through their collective and individual endeavors have shaped the past through the demands historical events placed on them this text based on the bestselling america past and present is presented in a highly affordable

penguin academic format
